MAGNETIC RECORDING LIST OF REFERENCES -- WHERE TO FIND THEM

The list of references on the subject of magnetic recording tape has become very lengthy.

Here are some of the best source materials for your information on magnetic recording:

The John Crerar Library, 86 East Randolph Street, Chicago 60, Illinois has an extensive bibliography on magnetic recording.

The Journal of the Acoustical Society of America published for the Acoustical Society by the American Institute of Physics, 47 E. 55th St., New York 22, New York.

The Cumulative Index to Acoustical and Patents (1938 to 1948) contains a wealth of articles on magnetic recording. Price of this is approximately \$5. Index covers Volumes 11 through 20.

Radio News, February, 1948, contains several articles on magnetic recording.
