47 0047 1 V04-002 SAR0282 Sharon A. Reynolds 2-Jul-1984
48 0048 1 - Removed the output_lines routine and moved it to the
49 0049 1 shareable image.
50 0050 1 - Removed the build_fao_string macro and moved to
51 0051 1 erfdef.req.
