A dense grid of terminal window screenshots. Each window displays a different interface, including:

- CMDS LIS** (Command List)
- DIRECTORY LIS** (Directory Listing)
- EDIT LIS** (Text Editor)
- GETUSER LIS** (User Management)
- GETNEW LIS** (File Management)
- ADDRLIST LIS** (Address List)
- MAILREQ REQ** (Mail Request)
- MAILDEF SDL** (Mail Definition)
- SPAWN CMD CLD** (Process Management)

The screenshots show various menu structures, lists of files and users, and command-line prompts, all rendered in a monospaced font typical of early computer terminals.
