Version V04-000, Carol Peters, August 18, 1977

```

18-05-77      CP      Reserved values for exception messages
                  is increased from 29-42 to 29-43. The
                  extra message introduced is a new
                  message corresponding to number 35, for
                  $$$_DEBUG.
23-06-77      CP      Change dbg_acc_viol to debug_bug.
06-07-77      CP      Remove unnecessary error literals.
29-07-77      CP      Add no_such_tracept literal.
16-08-77      CP      Change debug_bug to global literal
                  dbg$_debug_bug. Add no_img_symbols for
                  no symbols in image file.
