A large grid of 12 columns and 15 rows of small, illegible text screens. The screens are arranged in a regular pattern and contain various data and system information. Some screens are clearly labeled with titles such as:

- INPUT LIS (top left)
- MESSAGE LIS (top middle)
- OUTPUT LIS (top right)
- SEPARATE LIS (top right)
- PRTSMB LIS (middle right)
- MEMORY LIS (bottom middle)
- PSSMSG LIS (bottom right)

The text within these screens is too small to read accurately, but appears to be technical data or system logs.
