Explanation of table columns

The columns in Table 1 below contain information as follows:

Column Name	Column Contents
Product Name	The name of the product.
Vers	The version number of the product.
UPI	The unique product identifier.
Status	New indicates that the product is a new addition to the disc. Updated indicates the product has been updated since the last issue.
CD	The number of the disc on which the product is located. Products listed with an asterisk "*" can be located on the Supplementary Disc.
Directory	The name of the product's directory on the disc.
