Slides, 14-inch	330143	50	40	40	35	35	30	30

*NOTES: Quantity to be consumed over a period not to exceed 12 months. All prices are F.O.B. PRIAM's plant, San Jose, CA, and are subject to change without notice. Terms are net 30 days for approved credit accounts. Disc drives (not options) may be mixed and added to achieve a quantity level, except the stepper-motor DISKOS 1070 counts as one half (1/2) a voice-coil disc drive for this purpose. The DISKOS 1070 is not available for purchase from PRIAM outside North America. Base drive requires terminator for reliable operation. Standard PRIAM Terminator is 50-pin; the 40-pin PRIAM Terminator should only be ordered for use with the DISKOS 3450/7050 and DISKOS 15450-10.

Effective Date: August 15, 1981
