varian data machines /a varian subsidiary 2722 michelson drive / irvine / california / 92664 / (714) 833-2400

Dear Customer:

Thank you for your order of Varian data machine equipment. You've joined an ever-increasing group of Varian users. We've been in the business since 1959 serving a whole variety of users. We've been part of the Varian Associates Worldwide organization since 1967. We feel we have a lot to offer you, so please make use of our many services.

We are sure you will be satisfied with your Varian equipment and software. We have gone to great lengths to develop the best small computer products in the industry, as you yourself must have felt when you chose Varian equipment. If you have any questions or need assistance please contact your local VDM office. They are there to help you. Enclosed with this package you will find a letter from the VOICE users group Secretary and a VOICE application. We strongly urge you to join this group and participate in their activities.

We wish you much success in your computer project and hope Varian Data Machines can be of service to you again.

Sincerely,

Varian Data Machines Irvine, California

Furnished under United State Government Contract Number 4-36931 shall not be either released outside the Government, or used, duplicated, or disclosed in whele or in part for manufacture or procurement, without the written permission of the forgonation (dustry systems, face), EXCEPT FOR: (1) emergency repair or oxyglogic work by or for the movements where the term or process concerned is not otherwise reasonably available to enable timely performance of the work; or (2) release to a foreign government, as the interests of the Chited States may require provided that it either case the release, use, duplication or disclosure by real shall be subject to the foregoing limitations. This legend shall be marked on any reproduction hereof in whole or in part.

I would like to offer you the opportunity to join VOICE, the Varian

Data Machines Users Group. VOICE was formed to promote the interchange
of information concerning VDM computers. The objectives of VOICE are:

- To reduce redundant effort among machine users in the preparation of computer programs.
- 2. To provide channels to facilitate the exchange of relevant information.
- To provide feedback to the manufacturer pertaining to equipment and programming needs.

The VOICE manual, which is sent to each VOICE member, contains all of the necessary information and material for participation in the group. These materials include forms for program submission and program requests, newsletters or VDM computer applications, Dataspecs, the VOICE program library, and the complete VDM software catalog.

I am enclosing an application form for you to complete and return if you would like to join VOICE. Our membership is now over 1300.

I am looking forward to serving you as a member of VOICE.

VOICE Secretary

VOICE BINDERS

Gold, 3-ring VOICE binders are abailable to help you organize and preserve your copies of program abstracts and VOICE notes.

To obtain a VOICE binder, mark the appropriate box below and attach your check to this application form. Checks should be made out to:

VARIAN DATA MACHINES (VOICE)
